Attn: Mr. John J. Redfern, Jr.

Dear Mr. Redfern:

The BMNS Company #2 Brown well which is located in Unit M, Section 29-30N-12W has dedicated the SW¹₄ SW¹₄, being 40 acres.

The well was completed in June, 1947, prior to the establishment of 160-acre drilling units in the Fulcher-Kutz Pool. After the inception of proration in 1955 a non-standard unit of 40 acres was approved by Commission NWU Order #147.

If you need any further information on the above unit, please do not hesitate to call on us.

Yours very truly
