Re: Waggoner #1 K-29-30N-12W

Dear Mr. Brown:

As per our conversation 2-19-82 I am forwarding a copy of our bond form and copies of our form C-104 with an example. File the bond with our Santa Fe Office and four copies of the C-104 with this office. You are required to post a sign at the well as per the enclosed rule.

This well falls under the jurisdiction of this office and should any problems occur with the well you are ultimately responsible for repair and plugging of the well. Contact this office for proper approvals before commencing any downhole work.

If you have any questions, please contact this office.

Yours truly,
