Mr. E. J. Ouel
El Paso Nat. Gas Co.
Farmington, New Mexico

Dear Ed:

I am returning your Notice of Intention to Drill on El Paso Natural Gas Co. #6 Gartner, NE/4 Sec. 27-30N-8W. I believe this is the location you asked me about in Farmington the other day and we agreed that it would be all right to call it the #6 Gartner, however you have not indicated who the fee landowner in this 320-acre section is. Will you please so indicate on the Notice of Intention to Drill and return it for approval?

Yours very truly,
