Dear Al:

I am enclosing your copy of M. S. B. & W., McCoy No. 1, SW NE, 28-30N-12W and am also returning the company's copy to them. Who has the original? Actually this should be in the Santa Fe Office.

I have also forwarded the company's copy to Mountain Oil & Gas Company at their Albuquerque office.

It was hard to figure out why you sent three copies of MSB&W and only two copies of Mountain Oil. But, I hope you have the correct copies for your file.

Let me know if something went awry.

Very best regards and
Happy New Year,

Betty
