Re: MSBW McCoy Well No. 1,
Section 28, T-30-N,
R-12-W

Dear Mr. Kendrick:

A couple of months ago we discussed the status of the above-referenced well. At that time you informed me that a field inspection would be made, and you could then advise as to what further steps should be taken. Please let me know if you've been able to inspect the site, and what, if any, legal action should be commenced.

Very truly yours,
