

BEFORE THE OIL CONSERVATION COMMISSION
OF THE STATE OF NEW MEXICO

IN THE MATTER OF THE APPLICATION
OF DON TRADERS, INC. FOR A NON-
STANDARD GAS PRORATION UNIT CONSIST-
ING OF 40 ACRES, IN THE FULCHER-
KUTZ PICTURED CLIFFS GAS POOL, SAN
JUAN COUNTY, NEW MEXICO.

No. 1144-113

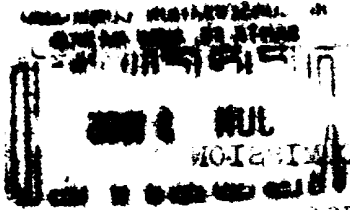

APPLICATION

Comes now applicant, Don Traders, Inc., and hereby applies to the Oil Conservation Commission of the State of New Mexico for approval of a non-standard gas proration unit as an exception to the pool rules of the Fulcher-Kutz Pictured Cliffs gas pool, San Juan County, New Mexico, said rules being Order No. R-565- Rule 6 (a), this application being brought under the provisions of Rule 6 (b) of said order, as revised, proposed unit to consist of the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section ^B30, Township 30 North, Range 12 West, N.M.P.M., as reflected by the plat attached hereto, marked Exhibit A, and made a part hereof, the proposed unit containing 40 acres, more or less.

In support of the application, applicant would show:

1. That applicant is present owner of all operating rights in the proposed non-standard gas proration unit.

2. That the well producing from the proposed unit, being applicant's C. V. Lyman Dansby No. 1 well, is located 680 feet from the north line of Section 30, and 1980 feet from the east line of Section 30, and was located and drilled in conformance with the rules and regulations then in effect, and was completed as a commercial well productive of gas from the Pictured Cliffs formation.

OFFICE OF THE OIL FIELD COMMISSION
OF THE STATE OF NEW MEXICO

IN THE MATTER OF THE APPLICATION
OF DON TRADERS, INC. FOR A NON-
STANDARD GAS PRODUCTION UNIT CONSIST-
ING OF 40 ACRES, IN THE TOWNSHIP
KUTE PICTURED CREEK GAS FOOT, SAN
JUAN COUNTY, NEW MEXICO.

No. _____

ADMINISTRATION

Comes now applicant, Don Traders, Inc., and hereby applies

to the Oil Conservation Commission of the State of New Mexico
for approval of a non-standard gas production unit as an exception
to the pool rules of the Kute-Pictured Creek Gas Foot,
San Juan County, New Mexico, said rules being Order No. 7-282
Rule 8 (a), this application being brought under the provisions
of Rule 8 (b) of said order, as revised, proposed unit to consist
of the NW 1/4 of Section 30, Township 30 North, Range 12 West,
N.M.P.M., as reflected by the plat attached hereto, marked
Exhibit A, and made a part hereof, and proposed unit containing
40 acres, more or less.

In support of the application, applicant would show:

1. That applicant is present owner of all operating rights
in the proposed non-standard gas production unit.
2. That the well productive from the proposed unit, being
applicant's C.V. Lynn Dandy No. 1 well, is located 880 feet
from the north line of Section 30, and 1880 feet from the east
line of Section 30, and was located and drilled in accordance
with the rules and regulations then in effect, and was completed
as a commercial well productive of gas from the Kute-Pictured Creek
formation.

3. That the proposed non-standard proration unit consists of contiguous quarter-quarter sections, or lots.

4. That the proposed non-standard gas proration unit lies wholly within Section 30, Township 30 north, Range 12 west, E.M.F.M. San Juan County, New Mexico.

5. That a non-standard gas proration unit allowing less than 160 acres as required by the provisions of Order No. *P-565* is necessitated solely by the location and unit assigned to said well which conformed with the rules and regulations of the Commission in effect at the time said well was drilled, and unless allowed by the Commission, applicant will be deprived of his opportunity to recover his fair and equitable share of the gas in said pool, contrary to law.

6. That in the opinion of the applicant the entire proposed non-standard gas proration unit may reasonably be presumed to be productive of gas.

7. That applicant has on ~~May~~ ^{June} 2, 1955, notified operators owning interests in Section 30, Township 30 north, Range 12 west, E.M.F.M., San Juan County, New Mexico, and offset operators to the applicant's C. V. Lyman Dansby No. 1 well, of applicant's intent to form such non-standard gas proration unit and requesting waivers therefor by sending copies of this application via registered mail to the following:

EMMS Company
Burt Building
Dallas, Texas

8. That copies of plat reflecting well location and acreage dedicated to said well are attached hereto as a part of this application.

WHEREFORE, applicant requests he be granted an order by administrative action of the Commission approving a non-standard gas proration unit as applied for, or in the alternative, that

3. That the proposed non-standard protection unit consists

of contiguous quarter-quarter sections, or lots.

4. That the proposed non-standard gas protection unit lies

wholly within section 30, Township 30 North, Range 12 West, T. 30 N., R. 12 W.,

San Juan County, New Mexico.

5. That a non-standard gas protection unit allowing less than

100 acres as required by the provisions of Order No. 9-222

is necessitated solely by the location and unit assigned to said

well which conformed with the rules and regulations of the

Commission in effect at the time said well was drilled, and

unless allowed by the Commission, applicant will be deprived of

his opportunity to recover his fair and equitable share of the

gas in said pool, contrary to law.

6. That in the opinion of the applicant the entire pro-

posed non-standard gas protection unit may reasonably be presumed

to be productive of gas.

7. That applicant was on May 2, 1955, notified operators

owning interests in section 30, Township 30 North, Range 12 West,

T. 30 N., R. 12 W., San Juan County, New Mexico, and offset operators to

the applicant's C. V. Denny No. 1 well, of applicant's

intent to form such non-standard gas protection unit and request-

ing waivers therefor by sending copies of this application via

registered mail to the following:

FMG Company
P.O. Building
Dallas, Texas

8. That copies of said reflecting well location and

acres dedicated to said well are attached hereto as a part of

this application.

Wherein applicant requests that the Commission approve a non-standard

gas protection unit as applied for, or in the alternative, that

this matter be set for hearing before the Commission in accordance with its rules and regulations, and for such other and further relief as may be proper.

Respectfully submitted,
DON TRADERS, INC.
