OTHER: Vent Gas <input checked="" type="checkbox"/>		OTHER: <input type="checkbox"/>	

12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Colt Resources Corporation is requesting the New Mexico OCD's permission to vent gas on the above mentioned well to allow us to pump back the load fluid from fracture treatment. The well will not produce against line pressure and at this time it is not economical to install a compressor. It is estimated it will take approximately 20 days to recover the load fluid.
