Revised  
2/23/60

I, Dale Garner, being of lawful age  
Name of Party Making Affidavit  
and having full knowledge of the facts hereinbelow set out do state:

That I am employed by Texas Eastern Transmission Corporation in the  
capacity of District Superintendent, that on August 21, 19 62

I personally supervised the setting of a Halliburton R-3  
Make and Type of Packer  
in Texas Eastern Transmission Corporation, Stephens Unit,  
Operator of Well Lease Name

Well No. 1 located in the Dakota-Mesaverde  
Field  
San Juan County, New Mexico, at a subsurface depth of 6234'

feet, said depth measurement having been furnished me by self observation

; that the purpose of setting this packer was to  
effect a seal in the annular space between the two strings of pipe where the  
packer was set so as to prevent the commingling, in the bore of this well, of  
fluids produced from a stratum below the packer with fluids produced from a  
stratum above the packer; that the make and type packer set was adequate to  
effectively and absolutely seal off the annular space between the two strings of  
pipe when it was properly set; and that this packer was properly set.
