Mr. J. Glenn Turner  
1900 Mercantile  
Dallas, Texas

Dear Mr. Turner:

Monsanto Chemical Company has applied to the New Mexico Oil Conservation Commission for administrative approval to perform a Mesaverde - Dakota multiple completion on its NMP Unit No. 1, K Section 23, T30N, R12W, San Juan County, New Mexico.

You are furnished notice of the proposed completion in accord with the provisions of Section IV, Rule 112-A, of Order R-1957. If you have no objections to the proposed completion, please indicate approval by signing and returning one copy of this letter to the Commission and one copy to the undersigned.

Very truly yours,

MONSANTO CHEMICAL COMPANY  
Lion Oil Company division

J. Murphy, Jr.  
District Production Supt.
