Dear Sir:

Application is hereby made for Administrative Approval to set a whipstock above the Mesaverde and intentionally deviate the above well and drill from the Mesaverde to the Basin Dakota and dually complete.

A copy of this application will be forwarded to the offset operator, El Paso Natural Gas Company, P. O. Box 990, Farmington, New Mexico.

Upon reaching total depth, a deviation survey will be submitted for each 500' or less. Total depth will not be closer than 200' from any boundary or proration unit line after deepening.

Very truly yours,

TENNECO OIL COMPANY
