August 6, 1954

Well No. 1 is located 990 ft. from N line and 990 ft. from W line of sec. 20  
Section 20 30N 10W 181PM  
 (1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)  
Fruitland San Juan New Mexico  
 (Field) (County or Subdivision) (State or Territory)

The elevation of the derrick floor above sea level is 6306 ft.

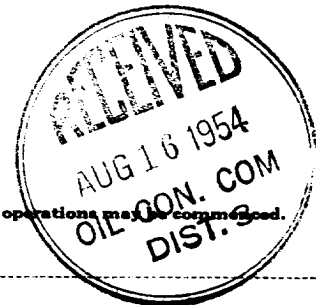

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

August 2, 1954.

This well was re-tested after being worked over and plugged back to the Fruitland formation with the following results:

Open flow 387 MCF/D through casing for three hours. SIPC 706, SIPT 706, F.P.T. 4.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company El Paso Natural Gas Company

Address Box 997

Farmington, New Mexico

Title Petroleum Engineer

The first part of the report deals with the general situation of the country. It is noted that the population is increasing rapidly, and that the government is making great efforts to improve the education of the people. The report also mentions the progress of the railway system and the development of the mining industry.

In the second part of the report, the author discusses the financial situation of the country. It is stated that the government has managed to reduce its debt and to increase its revenue. The report also mentions the progress of the public works program and the development of the agricultural sector.

The third part of the report deals with the social situation of the country. It is noted that the government is making great efforts to improve the living conditions of the people. The report also mentions the progress of the social welfare program and the development of the health services.

Finally, the author concludes the report by stating that the country is making great progress in all fields. It is noted that the government is committed to the development of the country and to the improvement of the lives of its people.
