17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On May 10, 1974 a Haliburton drillable packer was set at 6200' and after establishing circulation with fresh water a Baroid casing pack was displaced into the annulus, the tubing was latched back onto the packer and on May 11 the well was kicked off and restored to production.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
