Well No. Navajo is located 400 ft. from N line and 700 ft. from E line of sec. 21
NE 1/4 Sec. 21 20 North 10 East T.1N. R.1E.
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)
Window San Juan New Mexico
(Field) (County or Subdivision) (State or Territory)

The elevation of the ground floor above sea level is 4000 ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Drilled 1 3/4" hole to 20 feet, run and set 1 joint of 7" casing at 20'.
Cemented with 6 sacks of cement.
After cement set up pipe was tested and no leaks were found.
Drilled with air to 100 feet - encountered water at 100'.
Drilled with mud to 200 feet.
Plugged well from T.D. to surface with 41 sacks of cement.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company Amalgamated Petroleum Co.

Title Agent

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific requirements for record-keeping. It states that all transactions must be recorded in a timely and accurate manner, and that the records must be maintained for a minimum of five years.

3. The third part of the document discusses the consequences of failing to comply with the record-keeping requirements. It states that individuals or entities that fail to maintain accurate records may be subject to civil or criminal penalties.

4. The fourth part of the document provides information on how to obtain further assistance. It states that individuals or entities who need more information about the record-keeping requirements should contact the appropriate regulatory authority.

5. The fifth part of the document discusses the importance of ongoing monitoring and review. It states that the regulatory authority will continue to monitor the implementation of the record-keeping requirements and will take action if necessary to ensure compliance.

6. The sixth part of the document provides information on how to report a suspected violation. It states that individuals or entities who suspect that someone has violated the record-keeping requirements should report the violation to the appropriate regulatory authority.

7. The seventh part of the document discusses the importance of cooperation. It states that individuals or entities who cooperate with the regulatory authority in its efforts to enforce the record-keeping requirements may be subject to reduced penalties.

8. The eighth part of the document provides information on how to obtain a copy of this document. It states that individuals or entities who want a copy of this document should contact the appropriate regulatory authority.
