Mr. John G. Polokoff
5725 South Broadway
Los Angeles 37, California

Dear Mr. Polokoff:

We have received your notification that the pits have been filled and the locations levelled on the #1 and #2 Blancett wells.

We are therefore as of this date instruction El Paso Natural Gas Company that they may resume taking gas from the #2 Blancett well.

Yours very truly

Emery C. Arnold
Supervisor, District #3

October 22, 1933

Mr. John W. McLaughlin
Oil Field Division
Los Angeles, California

Dear Mr. McLaughlin:

We have received your notification that the pits have been
filled and the locations leveled in the #1 and #2 blocks
nearby.

We are therefore in of this date production of 10 to 15 barrels
per acre and they are now being taken out of the #1 and #2 blocks
nearby.

Yours very truly

Wm. A. Allen
Director, Division
