AZTEC, NEW MEXICO

*April 14, 1965*

*John G. Polokoff  
Box 487  
El Segundo, California*

*Dear Mr. Polokoff:*

*The following well has been reclassified from Exempt Marginal to Non Marginal effective in the April 1965 gas proration schedule. You will have 60 days from this date to conduct and submit a deliverability test in order that an allowable may be calculated.*

*We are sending the purchasing pipeline a copy of this letter in order that a test may be immediately scheduled.*

OIL CONSERVATION COMMISSION  
1000 RIO BRAVO ROAD  
AZTEC, NEW MEXICO

TO :

Director, Bureau of Land Management  
Washington, D.C.

Dear Sir:

Enclosed for the Bureau are two copies of a report on the results of the field work conducted by the Oil Conservation Commission during the summer of 1934. The report is divided into two parts, the first dealing with the general conditions of the oil fields in the State of New Mexico, and the second dealing with the results of the field work conducted by the Commission during the summer of 1934.

The report is divided into two parts, the first dealing with the general conditions of the oil fields in the State of New Mexico, and the second dealing with the results of the field work conducted by the Commission during the summer of 1934.

Very truly yours,
