SW 17-30N-11W and
#1 Brimhall, NE 18-30N-11W*

Dear Sir:

The above wells have previously lost their allowable for failure to file Forms C-115, Monthly Production Reports, with the Commission. These reports have now been filed and the wells have been released from shut-in by supplements No. 7061 and No. 7062. The pipeline company has been so advised.

Yours very truly
