RE: Temporarily Abandoned Wells
Wright State Com #1, A-16-27N-12W
Fannie Ward #1, K-18-30N-11W

To Whom It May Concern:

The above mentioned temporarily abandoned wells are still inactive and require P&A or TA approval under Rules 201, 202 and 203. Plans to bring these wells into compliance were due in this office by June 30, 1992. To date, this office has not received any response. Your failure to respond is in violation of Rule 201. If you do not respond by June 25, 1993, a case will be docketed for hearing to show cause why referenced wells should not be plugged and abandoned in accordance with a Division approved plugging program.

Yours Truly,

Dianna K. Fairhurst
