

J. N. FETZER

Building Management

Oct. 22, 1955

New Mexico Oil Conservation Commission,
Aztec, New Mexico

Gentlemen:-

Atten:- Mr. Arnold

Moya assured me this week by phone that he would have the deliverability tests this week on the Scott well, SW $\frac{1}{4}$, Section 18, Township 30 N, Range 11 W.

I believe this is due in your office by November 1st.

Sincerely,

JF:if
