Att: Pat Lay

Dear Pat:

When I talked to you this morning I neglected to mention that you have not filed Form C-122-B on your #1 Astec-State well in the NW 16-30N-11W.

As this well was connected after November 1 we will not have a Deliverability Test and will have to have Form C-122-B on file in order to assign an allowable.

Yours very truly
