Dear Mr. Russell:

We have received a form C-122A on the above well as a test after workover. However, we are still in need of a form C-104 after workover in order to process this test. Please send us a form C-104 describing the workover and showing the date of first gas delivery after the workover.

If you have any questions, please contact this office.

Yours truly,

Frank T. Chavez
Deputy Inspector
