**In accordance with New Mexico Oil Conservation Commission order No. R-2026 authorizing Pan American to institute a pressure maintenance project in the Horseshoe Gallup Pool, we wish to advise that Northeast Hogback Unit Well No. 45 was converted to an injection well for injection of water into the Gallup formation on February 9, 1963.**

Remarks

The undersigned certifies that the Rules and Regulations of the Oil Conservation Commission have been complied with.

Executed this the 13th day of February, 1963.

OIL CONSERVATION COMMISSION		By <i>E. R. Zurner</i>
Approved by <b>Original Signed By</b> <b>A. R. KENDRICK</b>	Title <b>Administrative Clerk</b>	
Title <b>PETROLEUM ENGINEER DIST. NO. 3</b>	Company <b>Pan American Petroleum Corporation</b>	
Date <b>FEB 15 1963</b>	Address <b>P. O. Box 480</b> <b>Farmington, New Mexico</b> <b>Attn: I. O. Sner, Jr.</b>	

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text suggests that organizations should implement robust systems to track every aspect of their operations, from procurement to sales.

2. The second section focuses on the role of technology in modern business management. It highlights how digital tools can streamline processes, reduce errors, and improve overall efficiency. The author argues that embracing technology is not just a competitive advantage but a necessity for long-term success in today's market.

3. The third part of the document addresses the challenges of human resource management. It discusses the importance of recruiting and retaining top talent, as well as the need for continuous training and development. The text provides insights into how organizations can create a positive work environment that fosters productivity and innovation.

4. The fourth section explores the impact of market trends and external factors on business performance. It encourages organizations to stay informed about industry developments and to adapt their strategies accordingly. The author stresses that flexibility and a proactive approach are key to navigating uncertain markets.

5. The final part of the document concludes with a call to action, urging leaders to take responsibility for their decisions and to strive for excellence in all aspects of their work. It reiterates the importance of integrity and ethical conduct, stating that these values are the foundation of a successful and sustainable organization.
