Dear Kathleen:

Please submit a copy of the gas meter chart for the subject well for the period from 1-30-72 to 2-7-72.

This period was the Flow Period for the 1972 deliverability test.

Items (e) and (g) of the test report indicate that an error may have been made in the spring constant when the chart was integrated.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
