Dear Sir:

This is to advise you that several days ago a drilling bond for the completion and plugging of the well located in the SE $\frac{1}{4}$ Section 7, T-30N, R-11W, San Juan County was submitted and filed with the Oil Conservation Commission in Santa Fe; therefore, I will appreciate your transferring the ownership of the well to me as per the instructions given in Mr. Emery Arnold's letter of January 22, 1953.

The above bond was issued by the Fidelity and Casualty Co., Fort Worth, Texas, dated December 9, 1953 under No. 2263540.

Yours very truly,

John J. Moya
