Gentlemen:

In answer to your inquiry regarding the John J. Moya #1 Jones Pooled Unit well in the Southeast Quarter of Section 7, Township 30North, Range 11 West, this is to inform you that our records show this well to be successfully completed as a gas well in the Pictured Cliffs sandstone.

I have inspected the well and everything seems to be as represented.

Yours very truly,

Emery C. Arnold  
Oil & Gas Inspector
