

NEW MEXICO
OIL CONSERVATION COMMISSION
AZTEC, NEW MEXICO

~~XXXXXXXXXX~~

120 East Chaco

Arizona Explorations, Inc.
418 Meadows Building
Dallas, Texas

Gentlemen:

Please complete the enclosed U.S.G.S. Well Log Form, giving tubing information and formation tops and indicating where the perforations are through which sand-oil fracturing was accomplished.

When you have completed the form in more detail please return it as we need this information for our records.

Yours very truly
