Dear Mr. Short:

On 6-8-54 approval was given by this office on your Notice of Intention to Drill on your #1 Crandell well in the NW $\frac{1}{4}$  Sec. 8-30N-11W.

Due to the fact that the survey was in error you have now applied for a new location in this quarter-section; therefore this letter will serve to cancel approval on the #1 Crandell.

Yours very truly,
