Re: Acreage Dedication - Bird No. 1 Well  
Location F-8-30N-11W  
Aztec Pictured Cliff Pool

Dear Emery:

Would you please send us the Form C-102, so that we may refile  
the acreage dedication plat.

I also need the benefit of your sage advice with regard to such  
refiling.

I checked the surveyor's plat and found that the Oliver acreage  
was given on the surveyor's plat as 27.1 acres, and on the plat  
which we filed it was shown as 27 acres. If the correct acreage  
is 160, and our present 159.94 is incorrect, the surveyor's  
acreage which would come to 160.04 would also be incorrect.

I am at a loss to know how to proceed in this matter, except on  
the correction filing to show the Oliver Acreage 27.06.

I will appreciate your advice in this matter.

Yours very truly,
