

Loving N. Mexico
Box 1273.

Oil Conservation Commission

I would like to know if
Hartman #1 is still in production
as I have not received any
royalty from it in over one
year. Would you please let me
know so I can write Mr Carr
in Dallas. Thank you.

Sincerely
Charles C. Kimbrell

P.S. How long can a person hold the
lease on a well after it is abandoned
before it is turned back to the leasee?
