Re: N $\frac{1}{2}$  of Section 10, Township  
30 North, Range 11 West, N.M.P.M.  
San Juan County, New Mexico

**Gentlemen:**

Heretoe attached is your form C-128 showing the various ownership in the N<sup>1</sup>/<sub>4</sub> of Section 10. As is more clearly shown on form C-128 operator has leases and is dedicating 282.64 acres. The balance of the acreage in this unit as is shown on the plat is 37.36 acres which is located in and a part of the Town of Aztec, New Mexico, and consists of housing lots most of which are very small. Effort has been made by operator to lease this area, however, because of the number of individually owned lots in this area, it has not been successful.

Operator will make application for hearing to establish this area as a non-standard pro-ration unit before producing.

Very truly yours,

W. P. CARR
