DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Request permission to convert this well to water injection in connection with our secondary project. Water will be injected down tbg below a packer for lower Gallup and down the annulus above the packer for the upper Gallup

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
