Re: New Mexico Lease B-10889
Turner-State No. 1

Dear Mr. Greer:

Herewith are five copies of your Form C-103 reporting the setting of 7" casing on this well.

The form specifies that they be filed in "triplicate" but we are sending five, as we believe you pass some on to the United States Geological Survey.

Very truly yours,

P.S. When you return the approved copy of this - please send us about 50 Form C-101 - "Notice of Intention to Drill" blanks. Mr. Turner has several additional wells coming up.
