Mr. Charles Gholson
Deputy Oil and Gas Inspector
State of New Mexico
Energy and Minerals Department
Oil Conservation Division
Aztec District Office
1000 Rio Brazos Road
Aztec, New Mexico 87410

Dear Mr. Gholson:

I talked with Woodrow Stiles last night. He said he is investigating the possible gas leak on the Abrams #1, J-5-30N-11W well and had been in contact with you.

We appreciate your bringing this to our attention. Please keep us informed and let us know if this matter is not resolved to your satisfaction.

Yours truly,

M. W. Carr
