Re: State Senate #2 K-1-30N-16W

Dear Ray:

We have not received a form C-115 for the referenced well since June, 1982. The allowable for this well has been cancelled, and will not be reinstated until all delinquent C-115's are submitted.

If you have any questions, please contact this office.

Sincerely,

A handwritten signature in cursive script, appearing to read "Frank T. Chavez".
