Att: R. R. Spurrier, Secretary-Director

Dear Dick:

I am enclosing a Notice of Intention to change Plans on #2 Yager Pooled Unit in the NW/4 Section 6-30N-11W, along with a letter from El Paso Natural Gas Co. which explains what they want to do with this well.

As you will note, it is an unorthodox location so far as the Blanco spacing is concerned, and their sole reason for wanting to carry it on to the Mesaverde is to save their investment on the Pictured Cliffs well which did not produce.

Do you want letters from all the offset landowners or leaseholders?

Yours very truly,

Emery C. Arnold
