1. The first of these is the fact that the Commission has not yet received any information from the Government of the United States regarding the activities of the Committee for the Liberation of the People of the East (CLPE) in the United States. The Commission is therefore unable to determine whether the CLPE is a legitimate organization or a subversive one.

sidetracked, or left in the well, give its size and location. If the well has been dynamited, give date, size, position, and number. If plugs or bridges were put in to test for water, state kind of material used, position, and results of pumping or bailing. If shots.

It is of the greatest importance to have a complete history of the well. Please state in detail the dates of reworking, together with the reasons for the work and its results. If there were any changes made in the casing, state fully, and if any casing was added, state the date, position, and number.
