Dear Al:

Enclosed is a note which was written me by Warren Mankin of our Santa Fe office. As you see he is objecting to the fact that Order R-392 established a proration unit consisting of the East half of Section 18 and the Southwest Quarter Section 7-31N-8W containing 330.16 acres, while the plat which you originally filed shows the dedicated unit to be the West half of Section 18.

Will you please re-submit Gas Well Flat showing the corrected dedication.

Yours very truly
