Re: Communitization N/2 Section 16, 31N, 9W
San Juan County, New Mexico

Dear Mr. Arnold:

In connection with the drilling of gas well on captioned unit we enclose herewith the following instruments:

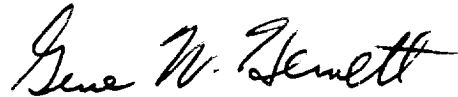

1. Original and 5 copies of C-101, Notice of Intention to Drill
2. 5 copies of location plat covering captioned unit.

Due to a change in our drilling plans we have found it necessary to spud this well within the next few days. We regret that we were not able to file the above mentioned forms before this time. We certainly would appreciate your immediate approval.

We have enclosed an extra copy of form C-101 and request that you return an approved copy for our file.

Yours very truly,

BEAVER LODGE OIL CORPORATION
