Re: Change in Lease Name for the
Federal Maddox "B" Unit #1
well located in the SW¹₄
13-30N-13W, Basin Dakota Pool.

Dear Mr. Logan:

Pursuant to our telephone conversation of this morning, I am changing the lease name for the above well to read as follows:

Maddox "B" Federal Com.

All subsequent reports filed on this well should reflect this change. As there are no other wells on this lease, no further changes will be required in that connection; however if any further wells are drilled on this lease they should be identified in the same manner and numbered consecutively.

Yours very truly

Emery C. Arnold
