Re: Tenneco Oil Company
Florance #58
M-14-30N-9W

Dear Mr. Hicks:

Please cause the subject well to be rescheduled for the 1972 annual deliverability test.

The pressure drop from the wellhead to the meter of 180 psi shown on the test report received September 11 is excessive.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
A. R. Kendrick
Engineer, District #3
