Re: Mansfield #2, H-19-30N-9W

Dear Mr. Cook:

We have discovered that we approved form C-104, Request for Allowable and Authorization to Transport Oil and Natural Gas, for the above captioned well on July 26, 1968, without the form's being properly completed.

On new wells which have not had form C-104 filed previously all sections of form C-104 should be completed. We note that you have left blank sections IV and V having to do with well completion data.

Will you please refile for this well giving the above information?

Yours very truly,

Emery C. Arnold
Supervisor, District #3
