NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

(Form C-104)
Revised 7/1/57

REQUEST FOR (OIL) - (GAS) ALLOWABLE

New Well
~~Recompletion~~

This form shall be submitted by the operator before an initial allowable will be assigned to any completed Oil or Gas well. Form C-104 is to be submitted in QUADRUPLICATE to the same District Office to which Form C-101 was sent. The allowable will be assigned effective 7:00 A.M. on date of completion or recompletion, provided this form is filed during calendar month of completion or recompletion. The completion date shall be that date in the case of an oil well when new oil is delivered into the stock tanks. Gas must be reported on 15.025 psia at 60° Fahrenheit.

Farmington, New Mexico

October 5, 1962

(Place)

Name **E. S. Oberly**

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific requirements for record-keeping, including the need to maintain separate accounts for each transaction and to ensure that all records are properly indexed and filed.

3. The third part of the document discusses the importance of regular audits and reviews of the records. It states that audits should be conducted at least once a year and that the results of the audits should be reported to the appropriate authorities.

4. The fourth part of the document discusses the importance of maintaining the confidentiality of the records. It states that all records should be kept in a secure location and that access to the records should be restricted to authorized personnel only.

5. The fifth part of the document discusses the importance of maintaining the accuracy of the records. It states that all records should be entered accurately and that any errors should be corrected immediately.

6. The sixth part of the document discusses the importance of maintaining the completeness of the records. It states that all transactions should be recorded and that no records should be omitted or destroyed.

7. The seventh part of the document discusses the importance of maintaining the consistency of the records. It states that all records should be entered in the same format and that the same accounting principles should be applied to all transactions.

8. The eighth part of the document discusses the importance of maintaining the transparency of the records. It states that all records should be available for review and that the results of the audits should be made public.

9. The ninth part of the document discusses the importance of maintaining the accountability of the records. It states that all records should be assigned to a specific person and that the person should be held responsible for the accuracy and completeness of the records.

10. The tenth part of the document discusses the importance of maintaining the integrity of the records. It states that all records should be kept in a secure location and that access to the records should be restricted to authorized personnel only.

11. The eleventh part of the document discusses the importance of maintaining the reliability of the records. It states that all records should be entered accurately and that any errors should be corrected immediately.

12. The twelfth part of the document discusses the importance of maintaining the validity of the records. It states that all records should be entered in the same format and that the same accounting principles should be applied to all transactions.

13. The thirteenth part of the document discusses the importance of maintaining the verifiability of the records. It states that all records should be available for review and that the results of the audits should be made public.

14. The fourteenth part of the document discusses the importance of maintaining the consistency of the records. It states that all records should be entered in the same format and that the same accounting principles should be applied to all transactions.

15. The fifteenth part of the document discusses the importance of maintaining the transparency of the records. It states that all records should be available for review and that the results of the audits should be made public.
