Bernard King
President, King Oil Company
735 Petroleum Club Building
Denver 2, Colorado

Dear Mr. King:

Forms C-110 and C-104 for your #1 Colorado well in A-12-3QN-16W are returned herewith. The forms C-110 do not indicate an authorized transporter for liquids. They serve no purpose. Allowables cannot be assigned to the afore-mentioned well until such authorized transporter is named.

Form C-104 for this well is returned for the following completion information: Total depth; Plugged Back total depth; Top of oil pay; Casing record.

Form C-104 must be approved prior to the approval of Form C-110.

Yours very truly

A. R. Kendrick
Engineer, District #3
