DISPOSITION OF GAS (Sold, used for fuel, vented, etc.)                                                                                                                                   |                 |                                                                      |                                              |                                       |                                    |                                       |                 |
| TEST WITNESSED BY                                                                                                                                                                            |                 |                                                                      |                                              |                                       |                                    |                                       |                 |
| 35. LIST OF ATTACHMENTS                                                                                                                                                                      |                 |                                                                      |                                              |                                       |                                    |                                       |                 |
| 36. I hereby certify that the foregoing and attached information is complete and correct as determined from all available records                                                            |                 |                                                                      |                                              |                                       |                                    |                                       |                 |
| SIGNED M. K. Wagner                                                                                                                                                                          |                 |                                                                      |                                              | TITLE                                 |                                    | DATE August 17, 1967                  |                 |

\*(See Instructions and Spaces for Additional Data on Reverse Side)

**General:** This form is designed for submitting a complete and correct well completion report and log on all types of lands and leases to either a Federal agency or a State agency, or both, pursuant to applicable Federal and/or State laws and regulations. Any necessary special instructions concerning the use of this form and the number of copies to be submitted, particularly with regard to local, area, or regional procedures and practices, either are shown below or will be issued by, or may be obtained from, the local Federal and/or State office. See instructions on items 22 and 24, and 23, below regarding separate reports for separate completions.

If not filed prior to the time this summary report is submitted, copies of all currently available logs (drillers, geologists, sample and core analysis, all types electric, etc.), formation and pressure tests, and directional surveys should be attached hereto, to the extent required by applicable Federal and/or State laws and regulations. All attachments should be listed on this form, see item 35.

**Item 4:** If there are no applicable State requirements, locations on Federal or Indian land should be described in accordance with Federal requirements, Consult local State or Federal office for specific instructions.

item 23: Indicate which elevation is used as reference (where not otherwise shown) for depth measurements given in other spaces on this form and in any attachments.

**(f) Item 83.** Submit a separate report (page) on this form, adequately identified, showing the additional data pertinent to such interval.

**Item 29:** "Sacks Cement": Attached supplemental records for this well should show the details of any multiple stage cementing and the location of the cementing tool.

**Item 33:** Submit a separate completion report on this form for each interval to be separately produced. (See instruction for items 22 and 24 above.)
