11. DETAILED PROPOSAL OF COMINGLING OPERATIONS (If comingling is being proposed, show all pertinent details, and give pertinent data, including estimates of oil or gas production, etc. See Rule 11.02.)

Amoco Production Company plans to commingle the subject well. We are currently gathering data to submit in a comingling application. The Fruitland zone will be produced for one year so that a production decline curve can be plotted. The Blanco Pictured Cliffs zone will remain temporarily abandoned until comingling is approved. Please contact Ed Alizadeh at 326-9229 if there are any questions.
