Re: SWD-252

Dear Mr. Abbott:

The application of Overland Oil & Gas Corporation for a Salt Water Disposal Well was approved by the Division on March 28, 1983. Going over the order, I noticed an error in the first paragraph. The date should reflect Februrary 4, 1983 rather than March 28, 1983.

I am sorry for the inconvenience that this has caused you. If you should have any questions concerning this matter please do not hesitate to contact me at 827-5802.

Sincerely,

JOE D. RAMEY
Division Director
