Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

The King Kong 8 and King Kong 9 are pending until we hear back from U.S.G.S. on if we are going to be granted permission for another disposal well. These Wells make 120 barrels of water daily and until we have another source of disposing water we have to wait on this application.
