Attn: Mr. Joe Salmon

Dear Mr. Salmon:

In September, 1971, you filed Federal Form 9-331 C, Application for Permit to Drill, for the Nye #9-Y, D-1-30N-11W.

Our file does not indicate that this well was drilled. If not, please file Federal Form 9-331, Sundry Notice and Report, stating that the location was abandoned. File this report with the United States Geological Survey in Farmington. If the well was drilled, file the regular paperwork.

Thank You.

Yours very truly,

A. R. Kendrick
