Dear Mr. Morrow:

Reference is made to my letter of . March 11,1974 pertaining to your drilling the captioned well. As you will recall, I requested a letter from you setting forth the probable date you would be thru with your work in the Albuquerque and Las Vegas area and could get on this well for me.

Once again, I request that you advise when we can expect you to be able to drill this well, and to submit to/a drilling contract for execution.

Thank you.
