Dear Emery:

As indicated in my recent telephone conversation with you, my associates and I have decided not to drill this well in the foreseeable future. Therefore, would you suspend our application to drill, which was filed and approved in your office on November 9, 1973.

If and when we drill this well, we would use the same location, so we would appreciate it if you would simply hold this application in abeyance.

Thank you.

Very truly yours,

RODNEY P. CALVIN
