Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

On our last Sundry notice we informed you that we were having lease discrepancies on this well site and would not be doing anything further to this well until these discrepancies were cleared up. Just last week we met with Tribal officials in reference to solving the issues. It will be a few weeks until all paperwork will be completed, and hopefully taken care of all problem areas. We ask that you grant us a 90 day extension from today's date. We will comply with your order by the end of the extension period, by either producing this well or plugging it. You will be notified properly of our intentions as soon as a decision is made.

I hereby certify that the foregoing is true and correct
